OF REVIEW COMMISSION

Before **SHIELDS**, Chairman; **RUH** and **BRADEN**, Commissioners.

A Recommended Order of Hearing Officer Lawrence E. Osterhage, issued under date of June 19, 1986, is presently before this Commission for review upon its own motion pursuant to Section 47(3) of the Commission's Rules of Procedure.

Due to the lack of an avowal and based upon a review of the record before it, the Commission has determined and found no error in the application of the law to the facts therein and that the evidence therein adequately supports the findings and conclusions of the Hearing Officer.

Therefore, it is the **ORDER** of this Commission that the Recommended Order in this case be and is hereby **AFFIRMED**. The other than serious violations found by the Hearing Officer are hereby **SUSTAINED**. Abatement shall be immediate.
